

RESULTS OF ELECTIONS.

How the Elections in Illinois, Missouri and Contiguous States Went Tuesday.

HARRISON RE-ELECTED IN CHICAGO.

Democrats Make a Clean Sweep in St. Louis With the Exception of Five Members of the House of Delegates—Republican Victory in Jefferson City, the State Capital.

Chicago, April 8.—Carter H. Harrison was elected mayor of Chicago Tuesday for the fourth time, his majority by unofficial count over Graeme Stewart, the republican candidate, being 6,070. The total vote was: Harrison, 146,323; Stewart, 139,373; Cruise, independent labor, 9,999; Breckon, socialist, 11,212; Haines, prohibitionist, 2,848. In the last majority election the total vote was Harrison, 128,413; Hoyt, prohibition, 3,328; Collins, socialist, 5,384.

The early returns were in favor of Stewart, and at one time he was 2,000 ahead, but the later returns cut down his plurality steadily, and the republican leaders in private conversation admitted Stewart's defeat by about six thousand.

The chief issue in the campaign was the traction question, both candidates favoring ultimate municipal ownership of street railways. Stewart advocated an immediate improvement of conditions, making the best terms possible with the companies.

In addition to the mayor the democrats elected all other officers on the city ticket, the city treasurer, city clerk and city attorney, by strong pluralities. The new city council will be 35 republicans, 33 democrats and one independent democrat.

Mayor Harrison, in an interview on the result, said:

"I consider it a victory for ultimate municipal ownership and for the referendum. It means that the settlement of the traction question must be made in the interests of the people of Chicago. It was the hardest battle I ever had, and I am proud to have won it."

REPUBLICANS LOSE SPRINGFIELD.

Contest in the Illinois Capital Results in Democratic Victory.

Springfield, Ill., April 8.—An election contest that fairly jarred Springfield from its foundations Tuesday resulted in the sweeping victory of Harry Devereaux (democrat) for mayor, over his republican opponent, W. J. Butler, thus wresting control of the capital city from the republicans, who have been in power here for six years.

Results in Other Illinois Cities.

Rock Island—Six of the republican candidates for aldermen were elected; no change in the local political situation.

Quincy—The entire democratic ticket re-elected by majorities ranging from 1,000 down.

Galesburg—The citizens' organization elected mayor, treasurer, assessor and one alderman; the liberals elected clerk, attorney, three supervisors and six aldermen.

Peoria—The entire republican township ticket was elected by majorities ranging from 600 to 1,000.

IN MISSOURI.

Democrats Make Almost a Clean Sweep in St. Louis.

St. Louis, April 8.—The democrats have made another clean sweep in St. Louis. The democratic city council ticket was elected by a safe majority, Tuesday, as were the members of the school board and the inspector of weights and measures. A large majority of the members of the house of delegates candidates on the democratic ticket also go in.

Conservative estimates place the democratic majority at about 18,000. About 65,000 votes were cast. Thirteen of the men elected can be counted upon to stand by the administration of Mayor Wells and not enter into any combinations. The republicans elected only five nominees for the house of delegates—Wittfoeff in the Second, Hammerstein in the Twelfth, Weeke in the Seventeenth, Birge in the Twenty-seventh and Lackland in the Twenty-eighth. William A. Block, independent nominee in the Eighteenth ward, was elected over his republican and democratic opponents.

Horatio N. Davis led the council ticket with 42,900 votes. Dr. Heine Marks was a close second, with 41,977 votes. Isaac W. Morton received the least number of votes—41,363—his name being scratched by many of the labor unions.

Frank Wyman led the republican council ticket, with 23,825 votes.

DEMOCRATS LOSE JEFFERSON CITY.

Election at the Missouri Capital a Pronounced Republican Victory.

Jefferson City, Mo., April 8.—The municipal and school elections, Tuesday, resulted in a pronounced victory for the republicans. The successful candidates on the city ticket proper were all republicans. At the general election in November the republicans were completely wiped out in town and county, all their strongholds going democratic.

WISCONSIN JUDICIAL ELECTION.

Amendment Increasing Number of Supreme Judges Appears Adopted.

Milwaukee, April 8.—The judicial elections in Wisconsin passed off very quietly. Judge Robert G. Siebeck, of Madison, judge of the Ninth circuit, was elected to the place on the Wisconsin bench made vacant by the recent death of C. V. Bardeen. The proposed amendment to the constitution increasing the number of justices of the supreme court from five to seven undoubtedly carried. Oshkosh re-elected Mayor Mulva (democrat). Fox Lake, Waukegan and Marietta went for republicans. The democrats carried Neenah, Menasha, Amherst, Berlin, Portage and Beaver Dam.

AT WEST SUPERIOR REPUBLICANS CARRIED A MAJORITY OF THE WARD OFFICERS.

The entire citizens' ticket, headed by Wilson, for mayor, was elected by a complete change of city officers.

Racine elected the entire republican ticket, Nelson, for mayor, leading with 904 majority.

Organized labor swept Beloit in the election of aldermen.

The entire democratic ticket is undoubtedly elected in La Crosse, Torrance, for mayor, elected by a large majority.

REPUBLICANS HOLD LINCOLN.

Party Lines Drawn in Nearly Every Town in Nebraska.

Omaha, Neb., April 8.—Municipal elections were held in cities and towns in Nebraska Tuesday, with the exception of Omaha and South Omaha. Party lines were drawn in most instances. At Fremont the republicans elected the entire ticket with the exception of two officials, and Blair elected a majority of the democratic candidates. The republicans in Lincoln elected George A. Adams for mayor, their entire city ticket and six or seven councilmen, a fusion gain of one councilman.

REPUBLICANS GAINS IN KANSAS.

D. R. Anthony, Jr., Overturns Democratic Majority at Leavenworth.

Kansas City, Mo., April 8.—Elections were held in the large cities of Kansas Tuesday, and the result, as a whole, shows large republican gains. Mayors were elected as follows:

Kansas City, Kas.—Thomas B. Gilbert, republican.

Topeka—W. S. Bergundthal, republican.

Wichita—B. F. McLean, republican.

Leavenworth—D. R. Anthony, Jr., republican, overturning a democratic majority.

Lawrence—A. R. Sell, republican.

Pittsburg—Clarence N. Price, republican.

Hutchinson—J. P. Harsha, republican.

Emporia—John E. Martin, democrat.

Atchison—James N. Orr, non-partisan.

VOTES CAST IN MINNESOTA.

Contest at Mankato Results in a Sweeping Democratic Victory.

St. Paul, Minn., April 8.—Elections were held in villages and cities of the third class throughout Minnesota Tuesday. The mayors elected were as follows:

Willmar—B. Quale.

Wabasha—Dr. J. F. Milligan.

Lesueur—J. H. Termath.

Marshall—M. E. Matthews.

Fergus Falls—E. J. Webber.

The election at Mankato was an exception to the rule that prevailed in the other cities. The contest there was keen, and resulted in a sweeping democratic victory. Charles T. Taylor was elected mayor, defeating A. G. Meyer (republican) by 66 votes.

FARMERS FOUGHT A DUEL.

James Leach Shot and Killed on the Streets of Fayette, Mo., By Norman Smallwood.

Fayette, Mo., April 8.—James Leach, and Norman Smallwood, farmers of this county, fought a pistol duel on the streets here Tuesday. Leach was killed. Smallwood was not hit. The wives and other members of their families witnessed the tragedy. Smallwood was arrested and locked in jail on the charge of murder.

Leach secured a divorce from his wife in the circuit court early in the day, the decree being granted just before the shooting. Mrs. Leach was Smallwood's daughter.

The two men met in front of the courthouse immediately after the few words of the court, and, after a few words, both began firing. Leach was struck five times. He fell, but arose and ran half a square, waving his pistol. He again fell, and died in a few minutes.

A SON OF THE HOUSE NOW.

Emperor William Sends a Characteristic Telegram to King Christian on Leaving Denmark.

Copenhagen, April 8.—On the departure of Emperor William from Copenhagen for Kiel, where he arrived Monday, he sent a characteristic telegram to King Christian, as follows:

"My heart prompts me to once again express my warmest thanks for the never-to-be-forgotten happy days I have been permitted to spend with you in the circle of all your dear ones. From the day of the splendid reception which you and the inhabitants of your beautiful capital prepared for me until the last moment, when I had to bid you farewell, my visit afforded me unalloyed pleasure. Accept my special thanks for having received me in your family circle, and rest assured I shall henceforth regard you to God that He will make your approaching birthday a day of joy both to you and your house and your people, and that He may long preserve you in unimpairing health."

A GOOD MOVE IN NEW JERSEY.

Plays that Glorify Crime and Criminals Will Be Barred From Jersey City, N. J.

Jersey City, N. J., April 8.—Prosecutor Speer, in reply to a request from Chief of Police Murphy for an official opinion as to the latter's power to stop theatrical performances tending to glorify criminals, says:

"If the performance is designed, and has a clear tendency to elevate vice and degrade virtue and to furnish a glittering and attractive entertainment to youth to enter upon a career of crime and crime, it is corruptive of public morals and indictable as a public nuisance. Plays which shock the public sense of decency and incite to crime are indictable at common law and under New Jersey statutes."

Plays founded upon the Biddle Brothers' case and the exploits of the Oregon outlaw, Tracy, were the cause of the chief's action. He says that after this week theatrical managers who present such pieces will be prosecuted.

WAS SHARP AND BLOODY.

Bacolod, the Moro Stronghold in Mindanao, Captured by Capt. Pershing's Force.

100 MOROS KILLED AND MANY WOUNDED.

After a Gallant Charge the Americans Engaged the Moros Hand to Hand, Bayonets Against Knives—The Datto of Pananduan Killed—Three Americans Wounded.

Manila, April 10.—Capt. Pershing's force captured Bacolod, island of Mindanao, Wednesday, killed 100 Moros and wounded many others. Three Americans were wounded.

Capt. Pershing's force consisted of Shaw's battalion of the Twenty-seventh infantry, Kilpatrick's troop of the Fifteenth cavalry and McNair's battery.

Pershing was surveying the west shore lands when the Bacolodians opposed his advance and provoked the fight. Pershing's force surrounded and attacked their stronghold, first shelling them and, rushing his troops forward, charged gallantly. After crossing a deep moat and entering the fort, the Americans engaged the Moros, bayonets against knives. A hundred of the defenders were killed, including the datto of Pananduan and many were wounded. Only three Americans were wounded. After the capture of the fort it was destroyed.

The Bacolod leaders and the majority of the people of that district had been hostile to the Americans and encouraged attacks on American camps. They rejected the tenders of friendship.

It is expected that the defeat of the Bacolodians will result in all the Moros acknowledging American sovereignty.

Pershing's column is going to Harsue, which is also hostile.

GOING OUT OF COMMISSION.

Damage to the Battleship Iowa Found to Be Greater Than at First Reported.

Pensacola, Fla., April 11.—The damage to the battleship Iowa caused by the premature explosion of a shell in the forward port 12-inch gun has developed to be more serious than was thought when the first examination was made and as a consequence the big ship has been ordered to the New York navy yard to go out of commission. She steamed down to the Pensacola navy yard Friday, where she is fitting out with supplies and coal preparatory to sailing as soon as possible to the north.

It is known that three decks, including the upper deck in the forward part of the ship, will have to be entirely removed and rebuilt. It is feared that the steel supports under the 12-inch port turret are sprung to such an extent that they will have to be removed, though this can not yet be stated positively. The gun itself is a hopeless wreck. Although the gun which burst went into numberless pieces the end of the gun is as smooth as if it had been turned out of a shop, and except that it is about twelve feet shorter than the standard gun it is hardly noticeable that an explosion occurred. According to the record of the exploded gun, it was good for at least another year of service, and reports that the gun had been condemned are without foundation.

A DEFECTIVE SHELL FUSE.

The Cause of the Accident on Board the Battleship Iowa.

Pensacola, Fla., April 11.—An investigation of the explosion on the battleship Iowa, which occurred in the gun near this port, Thursday afternoon, resulting in the death of three seamen, and the serious injury of five others, shows that the accident was caused entirely by a defective shell fuse, which, it is stated, burned faster than was calculated. It is understood that the shell exploded fully 60 seconds before it was timed to go off.

An examination of the ship shows that the bursted gun is beyond repair, and the 12-inch forward turret will have to be repaired. A number of supporters are also sprung, and it is stated that portions of the deck will have to be replaced where pieces of the heavy gun tore through.

The funeral of the three men who were killed in the accident took place today. The dead were buried in the national cemetery here with military honors, companies of bluejackets from all the ships of the squadron participating in the exercises.

It is understood that all of the injured men are almost entirely out of danger except First-Class Seaman Paul Gough, who lost an eye, and is in a critical condition. The Iowa steamed into the navy yard Friday morning.

JAMES M. BECK RESIGNS.

The President Writes a Cordial Letter to the Assistant Attorney-General of the United States.

Washington, April 12.—It is announced that Assistant Attorney-General James M. Beck tendered his resignation to President Roosevelt before the president's departure for the west. In tendering his resignation, Mr. Beck took occasion to express his pride and gratification at having been privileged to serve under the president's administration, and that of his predecessor. In accepting the resignation the president wrote the following letter:

White House, March 31, 1903.
My Dear Mr. Beck—I regret to receive your resignation as assistant attorney-general, which is accepted to take effect April 30 next as indicated. I appreciate your expression of the satisfaction you have taken in your public services. It is a pleasure to me to say that you have performed your duties with marked ability, and I hereby extend my best wishes for your continued success in your professional work and for your health and prosperity.

Sincerely yours,

When questioned with reference to his resignation Mr. Beck said: "I have become a member of the law firm of Sherman & Sterling, of New York city, and expect to commence my work there on May 1, and shall after that date be a resident of that city."

COL. J. E. MACGOWAN DEAD.

Veteran Editor of the Chattanooga Times Passes Away at His Home on Missionary Ridge.

Chattanooga, Tenn., April 13.—Col. J. E. MacGowan, the veteran editor-in-chief of the Chattanooga Times and one of the oldest and best-known newspaper men in the south, died Sunday afternoon at his home on Missionary Ridge, this city. Col. MacGowan's health began to fail about two months ago and an attack of grippe brought on a complication of diseases which caused his death. He was brought back from Thomasville, Ga., with the hope that his life might be prolonged by the climate to which he was so well accustomed. But he began sinking Saturday night and continued to grow worse until this afternoon when he passed away, surrounded by the immediate members of his family.

The death of Col. MacGowan removes a man who has been actively engaged in southern journalism from early reconstruction days. He was born in Ohio, September 30, 1831, and when a young man practiced law in both Iowa and his native state. His newspaper career began in 1872 when he became associate editor of the Chattanooga Times. Six years later he became that paper's editor-in-chief, holding that position until two months ago when his health began to fail.

MAKING CAREFUL INQUIRY.

Valuable Information Said to Be Leaking From the Rural Free Delivery Department.

Washington, April 13.—Post office inspectors engaged in the investigation of department affairs will make a careful inquiry into the charges that certain wagon manufacturers have been given preference in advance information about the estimate of rural free delivery routes. Those charges come from a firm in Peoria, Ill. Mr. A. W. Machen, superintendent of the free delivery bureau said: "We have been very careful in enforcing a rule in the free delivery division that no advance information about the establishment of routes shall be given. I can not say that anyone of about 135 men may actually have done in a given instance, but I know they all have instructions not to furnish advance information and that they know the giving of such information would be under penalty of dismissal from the service."

The reconciliation is to be effected for the sake of the dynasty and their children. It is announced that the crown prince will visit the crown princess at Salzburg, next week, and that they will immediately be remarried. It is reported that they have agreed to this course and have pledged each other not to refer to the past.

WORLD'S FAIR WILD WEST.

One Hundred Thousand Dollars to be Expended on the American Indian Exhibit.

WILL BE SOME SPECTACULAR FEATURES.

Representatives of All the Indian Tribes Who Had Their Home in the Louisiana Purchase Will be Rounded Up—The Last Grand Collection of Real Blanket Indians.

Washington, April 12.—St. Louis will have a Wild West show in connection with the government Indian exhibit at the Louisiana Purchase exposition. Capt. Tonner, acting commissioner of Indian affairs, has received a letter from St. Louis stating that the exposition officials had agreed to make an appropriation of \$60,000 to supplement the appropriation of \$40,000 made by the government for an Indian exhibit. This will make \$100,000 available for this feature of the exposition, and will enable the secretary of the interior to provide some spectacular features in connection with the Indian exhibit.

It was decided some time ago by Mr. Jones, commissioner of Indian affairs, after a consultation with Secretary Hitchcock, that the exhibit would be confined to a showing of the progress made in the Indian schools unless the exposition authorities made an additional appropriation for the spectacular features. Mr. S. M. McGowan, representing the interior department, who is now in St. Louis has informed the department of the action of the exposition officials.

Plans for the exhibit will be undertaken as soon as the agreement between the department and the exposition officials has been formally entered into. Officials of the Indian bureau will undertake to collect representatives of all Indian tribes that had their home in the Louisiana Purchase. This will include all of the well-known tribes, the Arapahoes, Apaches, Cheyennes, Crows, Utes, Pueblos, Flatheads and Sioux. The members of the five civilized tribes in the Indian territory, were removed from the east and south after the Louisiana purchase.

There will probably be an arrangement of games, feats of skill and dances peculiar to the different tribes, although it can not be yet determined just how far the department will be willing to go in preparing for this form of entertainment. The policy of the Indian bureau is pronounced against encouragement of this class of exhibitions, as experience has shown that they have a demoralizing effect upon the Indians.

Officials of the bureau feel, however, that this will be the last opportunity for a collection of the real blanket Indians, whose numbers are growing rapidly less each year. They are willing to encourage this feature of the exposition, believing that it will be the last opportunity that will be afforded to see the Indian as he existed half a century ago, when the Louisiana purchase was young.

THE REIGN OF KING GRAFT.

Post Office Inspectors Investigating Alleged Sales of Promotions and Transfers in Office.

Washington, April 12.—Post office inspectors are busily investigating charges that a ring has existed in the department for the sale of promotions and transfers in the department generally, but especially in the New York post office.

The charges are written and signed by a name which may or may not be fictitious. Since the first letter with the charges was received there have been several others substantiating it, but whether these letters are from independent sources is not known.

According to the charges, the ring in the New York post office was thoroughly organized and did business on the same basis as that of the New York police ring, which sold all promotions for a stated sum, and then regularly collected a percentage of the increased pay through a collector who was well known and was paid for his trouble by commissions on the amounts he received. The balance in New York, it is said, was turned over to the men at the head of the scheme who had sufficient influence to make the promotions.

He was stricken with apoplexy while on his knees in prayer Saturday night and passed away after only four hours illness. Although he was 76 years old, he had been a man of good health, was hale in body and mind and so far as is known the fatal attack came on without any premonition. He was a native of France and came to this country in 1833.

A Duel in Knickerbockers.

Chicago, April 12.—A dispatch to the Chronicle from New York says: With pistols for weapons, and the distance 20 paces two boys in knickerbockers fought a duel, at Fulton street and Broadway, Brooklyn. Michael Telasco, aged 11, dropped at the crack of his adversary's pistol. The surgeons at Bushwick Central hospital said the wound would be fatal. Joseph Gosang, aged 13, was arrested and locked up, charged with attempted murder. Gosang and Telasco had been playmates.

In distress I was advised to try Pe-ru-na, and although I had never used a patent medicine before, I sent for a bottle."

"Words but ill describe my surprise to find that within a few days I was greatly relieved, and within three weeks I was entirely recovered. I am never without it now, and take an occasional dose when I feel run down." —Julian Weissitz.
